LinkedIn 1	<p>How can companies & their suppliers support the #integration & #employment of #refugees & #displaced people from #Ukraine?</p> <p>To reduce the risk to #workers displaced following Russia's of #Ukraine, we joined the Ethical Trading Initiative's working group on displaced workers alongside members & partners in Spring '22. We helped collect & share info from suppliers & stakeholders in Ukraine & neighbouring countries. Combining these insights & #lessonslearned from the experience of #Syrian #refugees in #Turkey's garment industry our  guidelines detail specific dos & don'ts when it comes to providing secure, safe & fair work, with gender mainstreaming considerations. They also help companies & their suppliers:</p> <ul style="list-style-type: none"> Reduce risks of #trafficking & #exploitation Access local resources & support <p>Explore & share our  guidelines https://buff.ly/3nO4YRK</p> <p>#RefugeesWelcome #bizhumanrights</p>
